

**Notice Pursuant to the National Cooperative Research and  
Production Act of 1993 -- Medical CRBN Defense Consortium**

Notice is hereby given that, on July 6, 2022, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 et seq. ("the Act"), Medical CRBN Defense Consortium ("MCDC") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Adagio Therapeutics, Inc., Waltham, MA; Neurovation Labs, Inc., New York, NY; TAMR, Inc., Cambridge, MA; and Z-Field Technologies LLC, Los Angeles, CA, have been added as parties to this venture.

Also, California Institute of Technology, Pasadena, CA; Pennsylvania State University, University Park, PA; Rector and Visitors of the University of Virginia, Charlottesville, VA; and University of Washington, Seattle, WA, have withdrawn as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and MCDC intends to file additional written notifications disclosing all changes in membership.

On November 13, 2015, MCDC filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the *Federal Register* pursuant to section 6(b) of the Act on January 6, 2016 (81 FR 513).

The last notification was filed with the Department on April 7, 2022. A notice was published in the *Federal Register* pursuant to section 6(b) of the Act on May 13, 2022 (87 FR 29383).
